BOOT CAMP ENLISTS FANTASY TO REFORM REBELLIOUS TEENS

Bonehead Bootcamp Is Fascinating, Mystifying, and Terrifying!

Ever wonder what goes on inside of those boot camps for troubled teens? In this new book for young adults, a fictional camp leads a defiant, young girl down a treacherous road to redemption.

A diehard city girl, Amy is uprooted to the Midwest against her will. Miserable in her new home and unpopular at school, the 16-year-old blasts her parents for destroying her happiness. But when Amy's verbal attacks turn physical, she is sent away to a reformatory to learn some manners.

Bonehead Bootcamp plays host to Amy and three other unruly—and very competitive—teenagers. The motley group is forced to navigate an obstacle course like those used for military training. The similarity ends, however, when climbing over a wall lands them in a frightening fantasy world of confusion, deception, and time-travel. The juvenile adversaries must now join forces as they search for a way back to reality. On their journey, they confront their individual character flaws through a series of freakish encounters, unveiling the hidden truths behind their rebellious natures.

Readers will find this fantasy-adventure entertaining yet thought-provoking. The timely story is told with warmth and humor, while dispensing a healthy dose of chills.
